## Vote September 7!

Continuing a practice begun in 1990, Bedford Taxpayers Association offers its Suggestion on How to Vote in the Special Election on September 7, 2021.

---

Unfortunately as many of you know, Bedford lost a devoted public servant, Dave Danielson, this past May. Because of that, a seat for the NH House of Representatives has been left vacant, and this Special Election is for all of us to choose the best person to fill it.

Bedford Taxpayers Association recommends that you take the time from your busy holiday weekend to go to the polls and vote for Linda Camarota.

Linda has lived in Bedford for over 30 years with her husband Michael and raised her two children here. She began her service to our town on the School Board from 1995 thru 1997, and has not stopped since. She has been a BTA member for over a decade, and has always placed taxpayers first. She has already served in the NH House of Representatives from 2018 to 2020, so she is well prepared to do the job again.

Linda has the unique experience of being a High School Teacher for 17 years, and being a Registered Nurse. She has always advocated for Parents rights, and is qualified to understand the challenges of COVID. On the back of this flyer is a list of some of Linda's important positions on issues.

Please visit her Website at [lindacamarota.org](http://lindacamarota.org) to learn more about Linda, plus the many things she has done and supports for Bedford and New Hampshire.
